1-1 Features of Tokyo Tech Library Catalog

● Coverage

Library materials: books, journals, and more

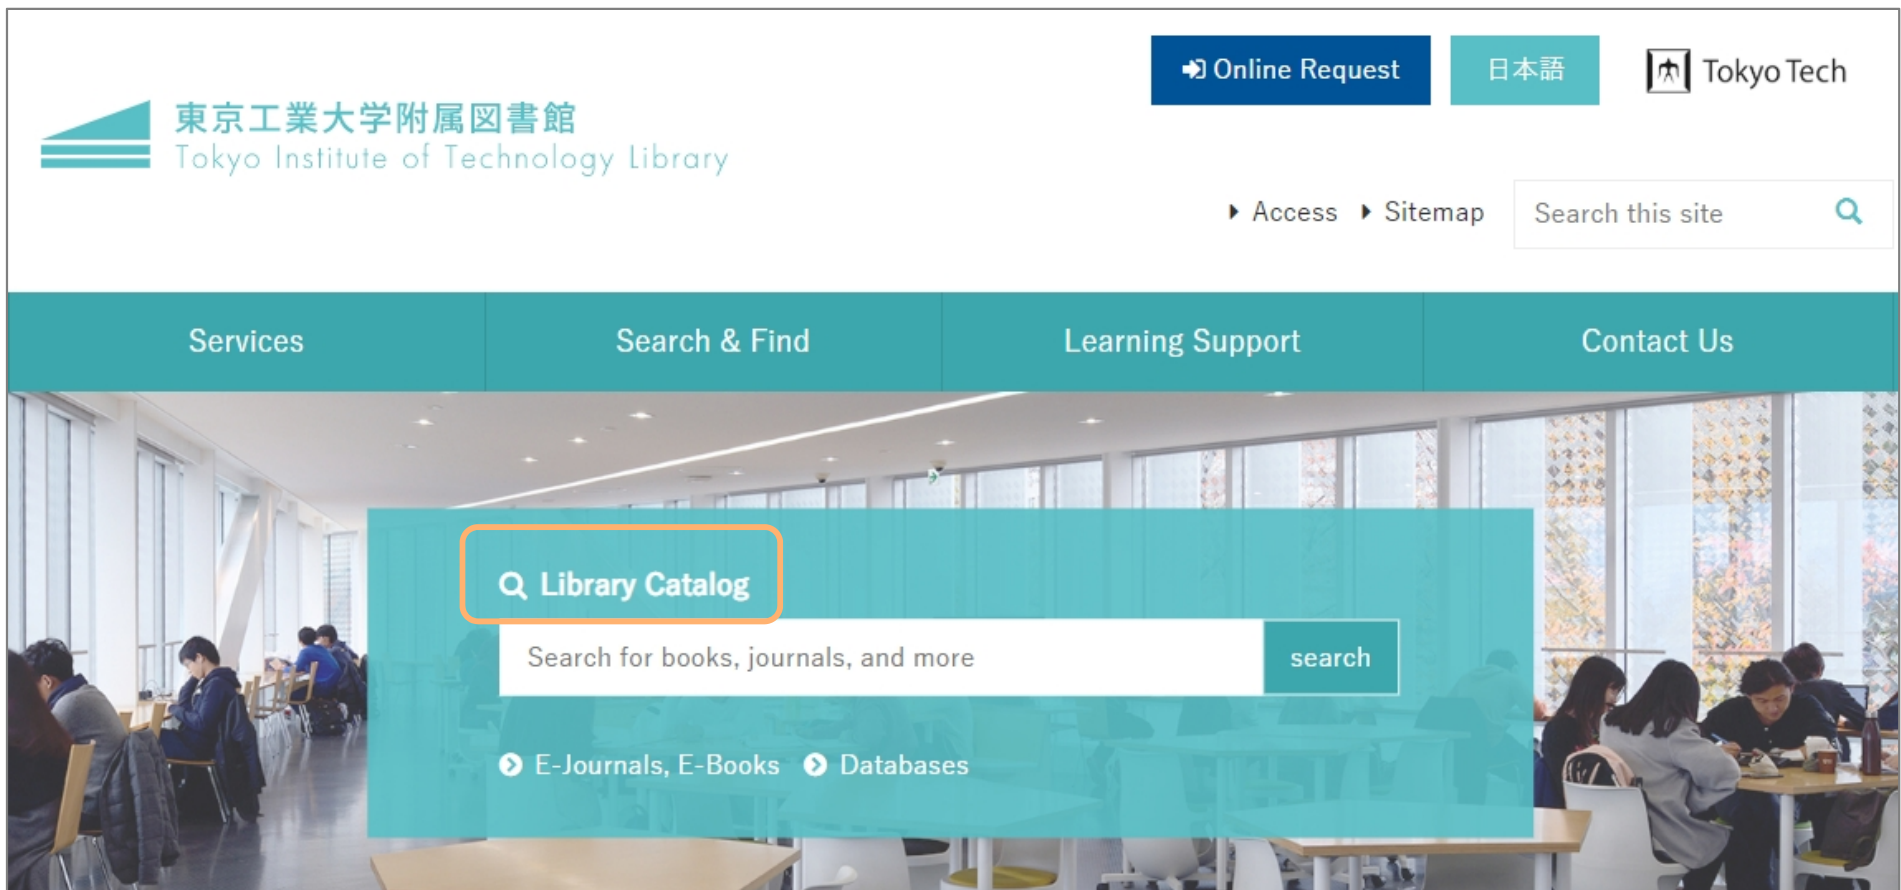

● Search Terms

Keywords: words in title, author, or other information of a material

● What do you get by using Library Catalog?

- Whether the library holds a material or not
- Where a material is located in the library
- Whether you can check out a material or not
- Reserve a book that other person has checked out
- Order a book from another campus

1-2 Access to Tokyo Tech Library Catalog

1-3 Simple Search

The screenshot displays the Tokyo Tech Library Catalog homepage. The header includes the Tokyo Tech logo and the text "Library Catalog". A navigation menu at the top right lists various services: Library Top Page, Electronic journals List, Online Request, New Books List, New Journals List, Library Catalog, Article DB, Source Title DB, Cross Search, Books Ranking, Tokyo Tech Book Review, Bookmarks, Help, and a language dropdown set to English. The main search area features a large text input field and a blue "Search" button, both highlighted with an orange border. Below the search bar, a light blue bar prompts users to "Search for other sites by same keyword(s)". A row of links for external databases follows: CiNii Books, NDL Search, WebcatPlus, amazon, カーリル, and WorldCat. An "Advanced search" button is located below these links. An orange callout box in the bottom right corner provides a definition of simple search.

The screenshot displays a web search interface. At the top, there is a search bar and a blue 'Search' button. Below this is a light blue banner with the text 'Search for other sites by same keyword(s)'. A row of links for external services (CiNii Books, NDL Search, WebcatPlus, amazon, カーリル, WorldCat) follows. The 'Advanced search' section is highlighted with an orange box and contains a dropdown menu labeled 'Advanced search'. Below this menu, the form is organized into columns. The left column includes input fields for 'Title:', 'Full title:', 'Author:', 'Publisher:', 'ISBN / ISSN / BookID / NC_ID:', 'Publication Year:' (with a range selector), 'Location:' (a dropdown menu currently set to 'Unlimited'), 'Subject:', and 'Call Number:'. The middle column, titled 'Format:', contains checkboxes for 'Book', 'Journal', 'eJournal', 'eBook', 'Thesis/Dissertation', 'Audio Visual', and 'Microform'. The right column, titled 'Library:', contains checkboxes for 'Ookayama' and 'Suzukakedai'. To the right of the 'Format' and 'Library' sections is a 'Sort by' dropdown menu, a blue 'Search' button, and a 'Clear Form' link. An orange callout box with white text is overlaid on the bottom right of the form, stating: 'You can specify more detailed search conditions with "Advanced Search"'. The entire interface is framed by a light green border.

<Situation>

1. You find the book near the public library and you want to use it right now.
2. You couldn't find the book near libraries but you want to use it as soon as possible.
3. You couldn't find the book near libraries. You don't need to use it right now and think that it is helpful book for other students.

<Action>

A Go to the public library and use it.

B Request the book to Tokyo Tech Library.

C Order the book from other library via Interlibrary loan.

Practice PART3 No.2

Select OK or No whether the situation is allowed by Copyright Act of Japan or not.

1.

Sato was looking for a book for a report. Then he found the book, “Hidetoshi, Nishimori; Ortiz, Gerardo. Elements of phase transitions and critical phenomena”.

He decides to copy some pages of the book using a photocopier in the library and take it home.

Practice PART3 No.2

Select OK or No whether the situation is allowed by Copyright Act of Japan or not.

2.

When Sato was on his way home, he suddenly got contacted by Suzuki, a friend of his, with a question about a report. Sato suggested him to read the book. Then Suzuki said, "Can you photocopy it again for me?" Suzuki promised to take him to lunch in return, so Sato agreed to make one more photocopy of the same part.

The latest research results will be published
as academic papers.

7-2 Tools for finding papers (Web of Science)

The screenshot displays the Web of Science search interface. At the top, the Clarivate logo is on the left, and 'English' and 'Products' are on the right. Below this, the 'Web of Science' logo is followed by navigation links: 'Search', 'Marked List', 'History', and 'Alerts'. On the far right of this bar are 'Sign In' and 'Register' buttons. The main header area is purple with the text 'Discover multidisciplinary content from the world's most trusted global citation database.' Below this, there are two tabs: 'DOCUMENTS' (selected) and 'RESEARCHERS'. A search bar is present with the text 'Search in: Web of Science Core Collection' and a dropdown for 'Editions: All'. Below the search bar, there are three sub-tabs: 'DOCUMENTS' (selected), 'CITED REFERENCES', and 'STRUCTURE'. The search criteria are entered in two rows. The first row has a dropdown set to 'All Fields' and the text 'climate'. The second row has a dropdown set to 'Author' and the text 'manabe', with a green 'AZ' icon next to it. Below the search criteria, there are buttons for '+ Add row' and '+ Add date range', followed by the text 'Advanced Search'. At the bottom right of the search area are 'Clear' and 'Search' buttons.
