

Information Literacy I Library Guidance

Institute of Science Tokyo Library

Information Literacy I, 2026 1Q

Outline

1. Search for books
2. Get the book you searched for
3. If books are not on the shelves
4. Get books that are not in the library
5. Remote access to library services
6. Copyright Act of Japan
7. Journey to academic literatures

Through this class, you will be able to get the books you need from the library!

1. Search for books

1-1. Features of the Science Tokyo Library Catalog

- **Coverage**

Library materials: books, journals, and more

- **Search Terms**

Keywords: words in title, author, or other information of a material

- **What do you get by using Library Catalog?**

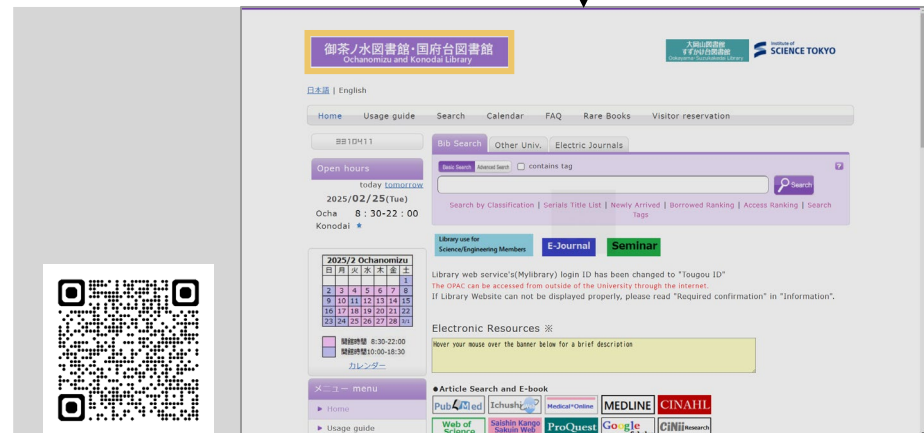

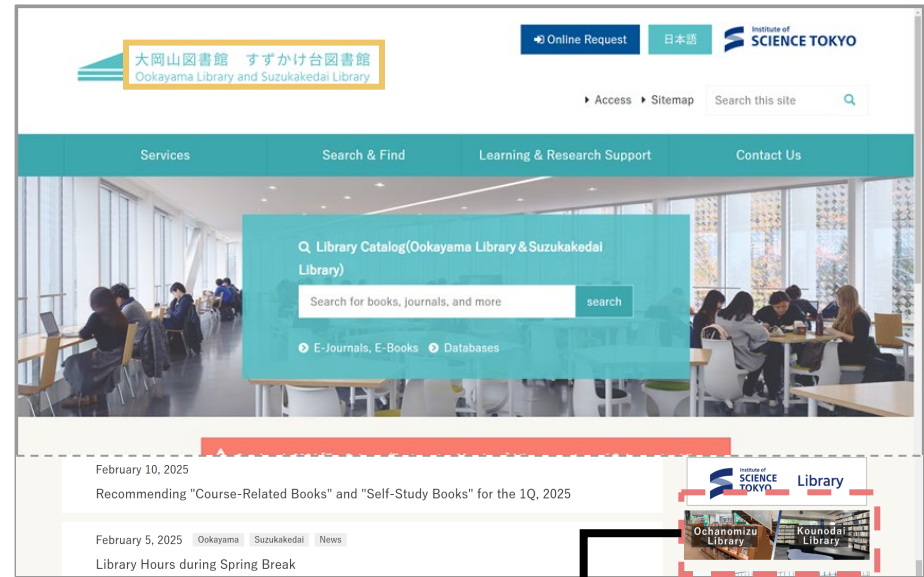

Whether the library holds a material or not

Where a material is located

Whether you can check out a material or not

Reserve a book that other person has checked out

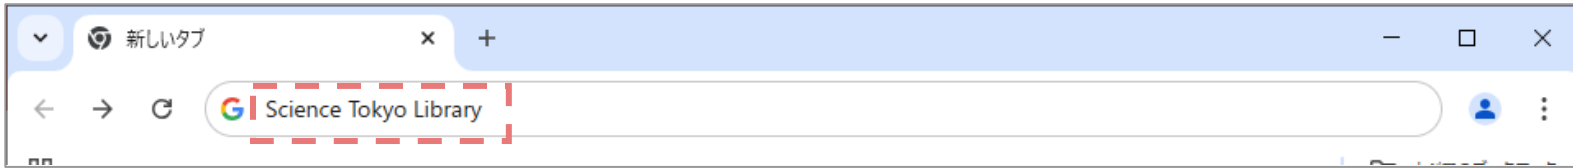

Order a book from another campus

(Ochanomizu and Konodai Library)
https://www01s.ufinity.jp/tmdu_lib/?lang=english

1-2. Access to the Science Tokyo Library Catalog

<https://www.libra.titech.ac.jp/en>

1-3. Simple Search

Institute of Science Tokyo Library Online Catalog

(Ookayama Library and Suzukedakei Library)

Simple Search
Search by title, author, year of publication,
subject, table of contents, etc.

1-3. Simple Search

Books written about "How to write a report"

Use the simple search to find

1-3-1. Search-results list

The screenshot shows the search results page for the Institute of Science Tokyo Library. The search term 'report writing' is entered in the search box, and the results are displayed in a list. The first result is 'Radical Reporting: Writing Better Audit, Risk, Compliance Reports' by James, published by O'Reilly Online Learning: Academic/Public Library Edition, CRC Press, 2022. The page shows 411 results in total. The search interface includes filters for Format, Publication Year, Library, and Location. The search results are sorted by Relevancy, and the page is currently on page 1 of 42.

James
Published: O'Reilly Online Learning: Academic/Public Library Edition , CRC Press, 2022

1-3-2. Filtering the search results

The screenshot displays a library search interface. On the left, there are several filter categories: Publication Year (2020-2025 (2), 2010-2019 (42), 2000-2009 (40), 1990-1999 (19), 1980-1989 (6), 1970-1979 (3), 1950-1959 (3)), Library (Ookayama (70), Suzukakedai (32)), Location (Ookayama Lib. B1F - General Books (46), Suzukakedai Lib. 2nd Floor - General Books (29), Ookayama Lib. B1F ; Compact Shelving - General Books (6), Electronic Books (4), Ookayama Lib. B2F - Materials for Language Study / Study Abroad (4), More...), Author (Hogue, Ann (4), Holman, J. P. (Jack Philip) (4), Kanade, Takeo (4), Oshima, Alice (4), Wallwork, Adrian (4), More...), and Subject (Technical writing (14), Report writing (11)).

The main search area includes a search bar with the text "Science". Below the search bar, there are fields for Full title, Author, Publisher, ISBN / ISSN / BookID / NC_ID, Publication Year, Location (set to "Unlimited"), Subject, Call Number, and Table of Contents. A "Filter" button is located above the search fields. To the right of the search fields, there are checkboxes for Format (Book, Journal, eJournal, eBook, Thesis/Dissertation, Audio Visual, Microform), Library (Ookayama, Suzukakedai), and Japanese/Foreign (Japanese Books, Foreign Books). A "Sort by" dropdown menu and a "Search" button are also present.

A red dashed box highlights the "Filter" button and the search fields. A blue callout box at the bottom right of the screenshot contains the text: "You can add search conditions with 'Filter'".

You can specify more detailed search conditions with "Advanced Search"

1-5. Searching with a smartphone

You can search for books with your smartphone just as you can with your PC

Practice PART1

1. To find a book of the knack for a presentation, you search* Library Catalog with three combinations of words. Answer the number of search results for each combination.

*** Use the "Simple Search".**

A) "presentation" and "knack"

B) "presentation" and "technique"

C) "presentation" and "skill"

2. About the above C, how many search results that you refine by "Ookayama" using the function of filtering in the left-hand column are given?

2. Get the book you searched for

2-1. Detailed Information of the book

Technical writing and professional communication for nonnative speakers of English / Thomas N. Huckin, Leslie A. Olsen

Edition: 2nd ed

Format: Book

Published: New York ; Tokyo : McGraw-Hill, c1991

Description: xxii, 746 p. ; 24 cm

Authors: [Huckin, Thomas N. <DA01291044>](#)
[Olsen, Leslie A. <DA01291055>](#)

ISBN: 9780070308251 [007030825X] (: pbk)
9780071007467 [0071007466] (: international ed)

2-4. Check out / Renew books

- **In the libraries**

- A student ID card is required.
- Please come to the Library counter or use Self-check out machines
- You can check out up to 10 books for 2 weeks.
- If the book is not reserved, you can renew it an unlimited number of times.

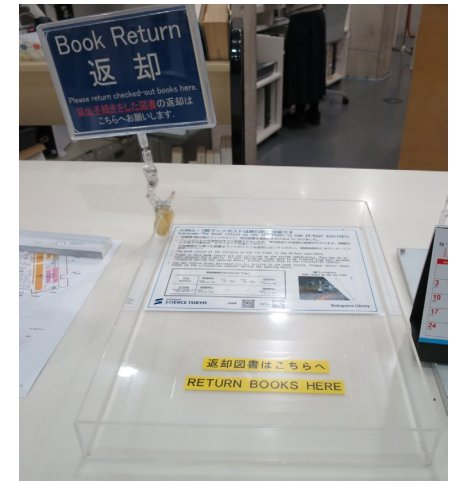

- **Online (only renewal):**

- Institute of Science Tokyo Science and engineering fields
Portal for Science and Engineering field > [Library Service](#)
- 3 times per book can be renewed online unless any reservations is made.

2-5. Return

Return books to any of the four libraries.

- **In the libraries**
 - Please hand them to the staff at the counter, or return them to boxes on the counter.
- **When the library is closed**
 - Please return to book return bins outside the library.

Return bins is available during library hours

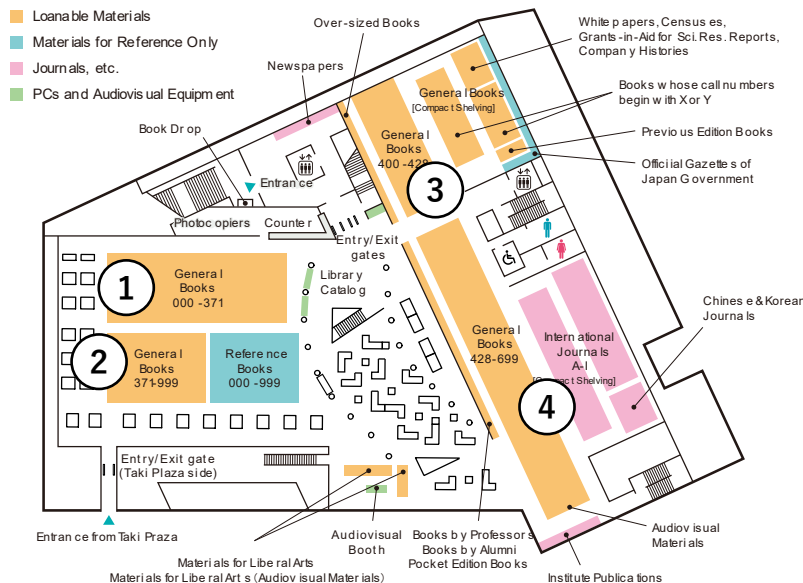

Practice PART2

1. You want to read the following book. How many copies of it does the library hold?

Hewitt, Paul G.. Conceptual physics. Pearson Education, 2015.

2. Where is the book that BookID:300562388? Please choose from ① to ④ on the map below.

3. If books are not on the shelves

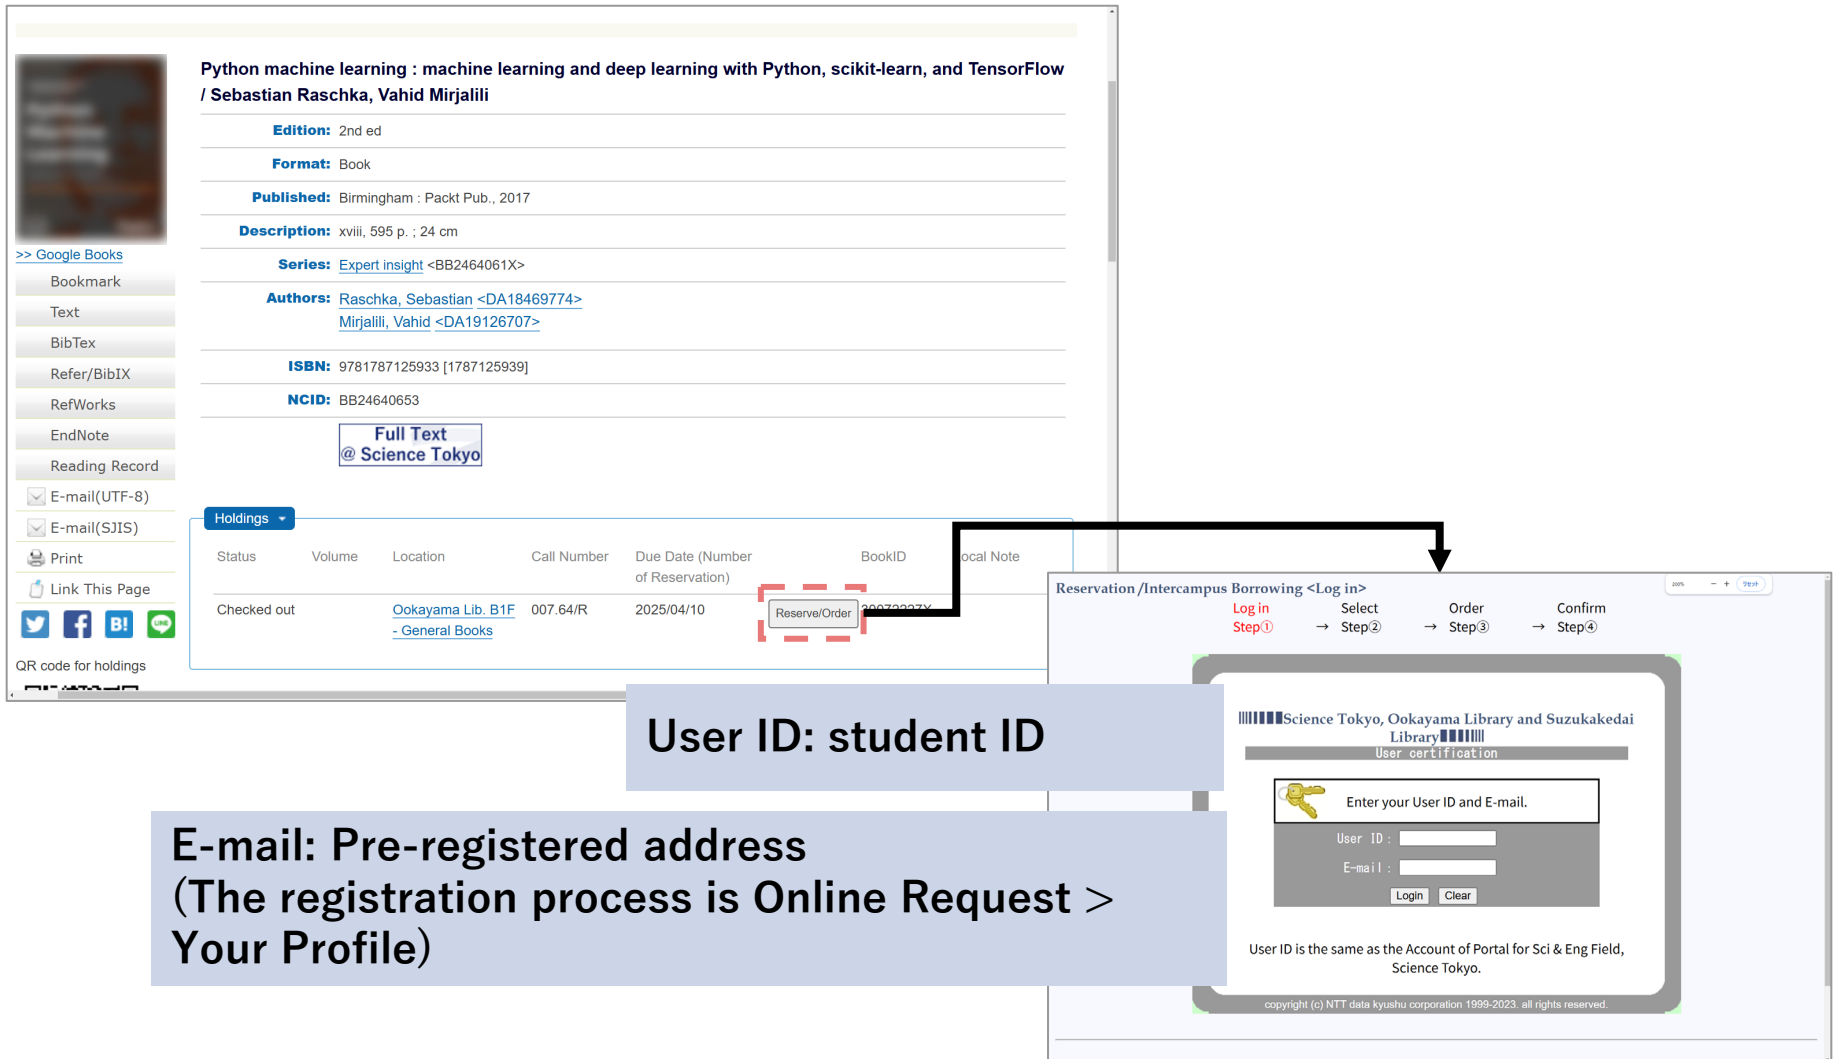

3-1. If books are not on the shelf

Even if you identify the location of a book, you may not be able to find it on a bookshelf.

- **Possibility 1: The book is not placed where it should be.**
- **Possibility 2: Someone is in the middle of using it in the library.**

If you cannot find the book you are looking for, please feel free to ask at the counter.

3-2. Reserving and Ordering books from the library catalog

Python machine learning : machine learning and deep learning with Python, scikit-learn, and TensorFlow / Sebastian Raschka, Vahid Mirjalili

3-3. Delivery Service Between 4 Lib.

- **Order Books**

Use the form to request books from the Medical and Dental Science fields Library.

Ochanomizu Library: 5 items, 14 days

Konodai Library: 6 items, 14 days

- **Book Returns**

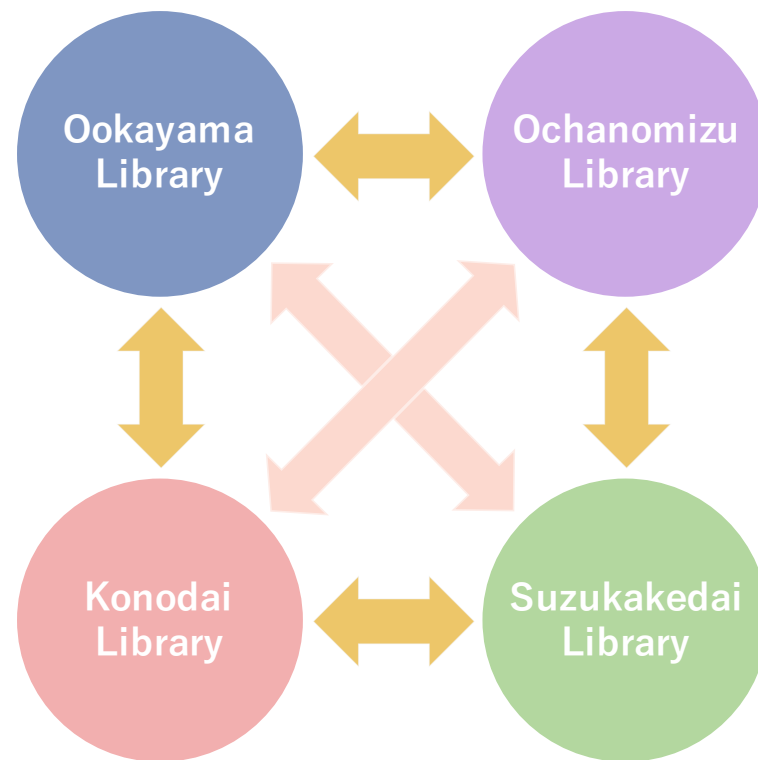

Books from the four libraries can be returned anywhere*.

*Items from the Medical and Dental Science fields Library are checked in only after they arrive at the owning library, and delivery takes several days.

- **Book Renewal**

An extra 14 days (only once).

Please contact the library by email, clearly stating your name and "Loan Book ID".

application form:

https://www.libra.titech.ac.jp/guide/ill_inside

4. Get books that are not in the library

4-1. Borrow from public libraries (Calil)

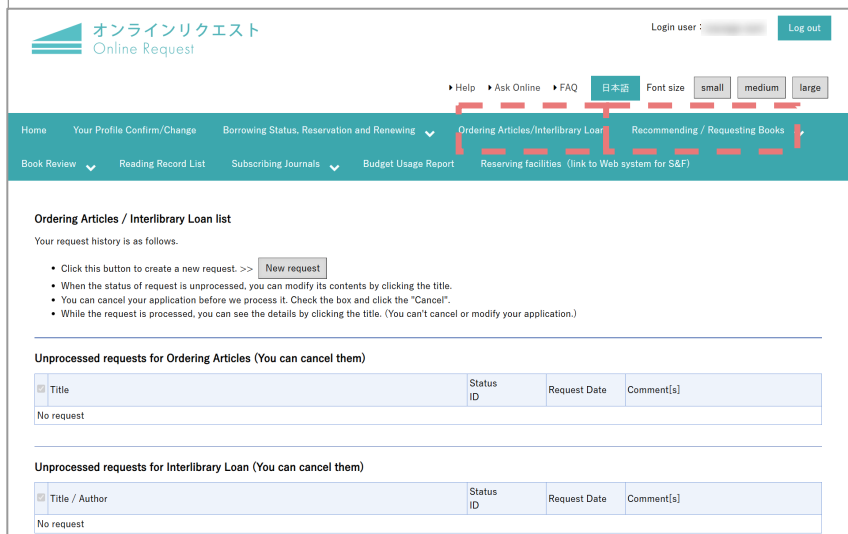

The image shows two overlapping screenshots. The top screenshot is the 'Institute of Science Tokyo Library Online Catalog' page. It features a search bar with 'Fugitive Telemetry' entered and a 'Search' button. Below the search bar, there are links for 'Clear Form' and 'Advanced search'. A message states 'Sorry, no results for: Fugitive Telemetry' and provides a link for 'Order Photocopies and Interlibrary Loan'. The bottom screenshot is the Calil search interface. It has a blue header with navigation links and a search bar containing 'Fugitive Telemetry'. Below the header, there is a yellow banner with the text 'お気に入り図書館を設定すると、貸出状況が表示されます' and buttons for 'エリアを選ぶ' and '現在地から探す'. Three book results are displayed in a grid:

Book Title	Author	Availability
The Murderbot Diaries Vol. 3 (Murderbot Diaries, 3)	Wells, Martha	読みたい 読んだ
Fugitive telemetry	Martha Wells	読みたい 読んだ
逃亡テレメトリー	マーサ・ウェルズ著; 中原尚哉訳	読みたい 読んだ

You can check if the library in your accessible area has it in its collection.

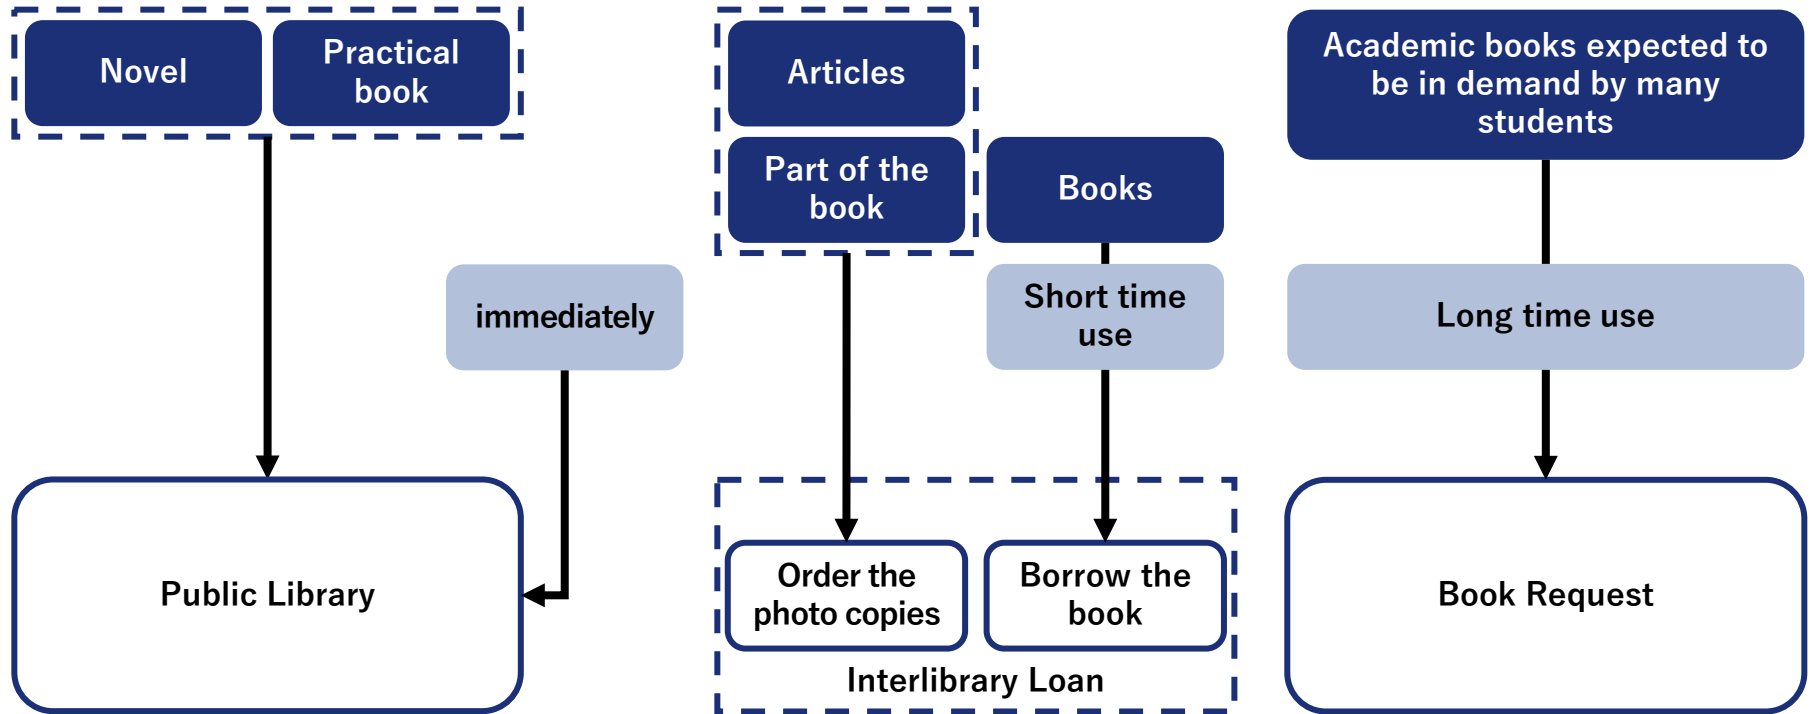

4-2. Interlibrary Loan / Requesting Books

	Interlibrary Loan (ILL)	Request
Charge	Borne by the library	No need
Days	About 1 week	Japanese books: about 1 to 2 months Non-Japanese books: may take more than 2 months
Notes	The time required depends on the requesting library.	The materials should be used by many students for learning purposes for a long period of time

Online Request >
[Ordering Articles / Interlibrary Loan list]
[Requesting Books]

4-2. Interlibrary Loan / Requesting Books

Registration may be subject to conditions. For example, whether you live, work, or attend school within the city.

Estimated delivery time is from a few days to a week.
You can get photocopies.

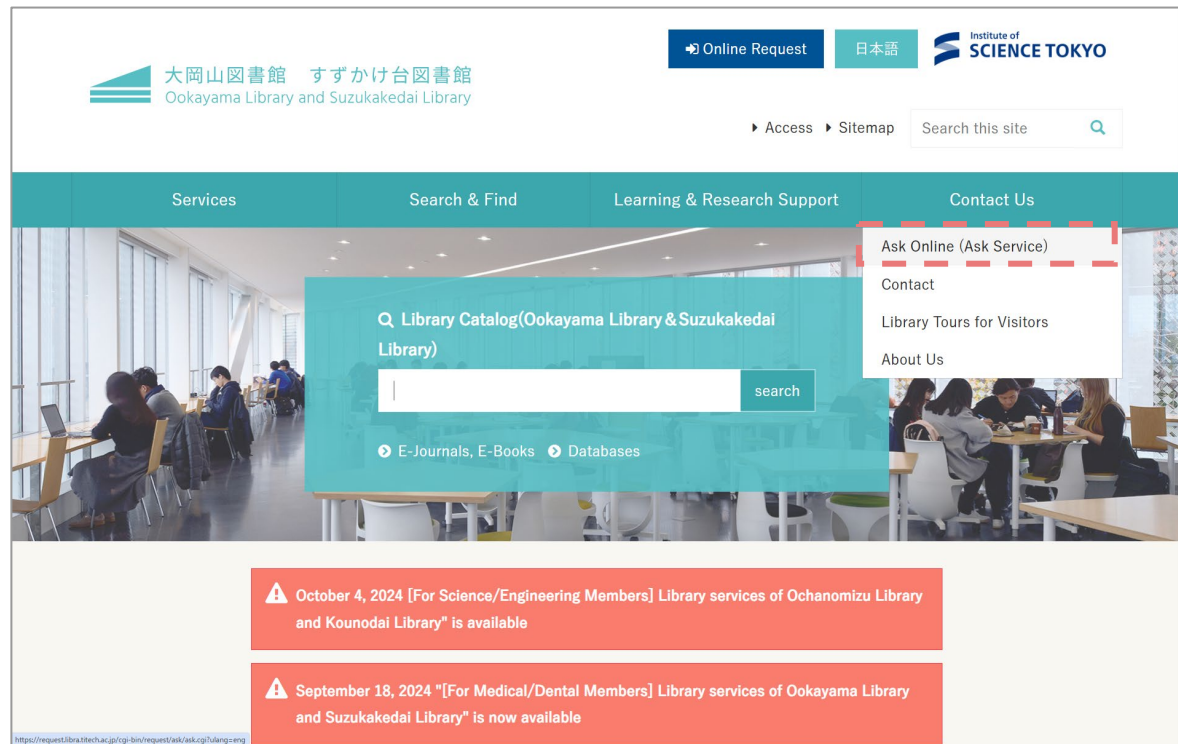

It takes some time after you apply until you can use it.

Choose the best way on your purpose and situation

4-3. If you still can't find it ...

Feel free to ask a librarian!

- To the counter
- Via Ask Service

5. Remote access to library services

5-1. How to use electronic resources: databases

The screenshot shows the library website interface. At the top left, it says '大岡山図書館 すずかけ台図書館' (Ookayama Library and Suzukakedai Library). On the right, there are buttons for 'Online Request', '日本語', and the 'Institute of SCIENCE TOKYO' logo. Below the header, there are navigation links for 'Access' and 'Sitemap', and a search bar labeled 'Search this site'. The main navigation bar has four categories: 'Services', 'Search & Find', 'Learning & Research Support', and 'Contact Us'. Under 'Search & Find', a dropdown menu is open, listing 'Library Catalog', 'E-Journals, E-Books', 'Databases', and 'Magazines / Newspapers'. The 'Databases' item is highlighted with a red dashed border. Below the dropdown, there is a search bar with a 'search' button and two links: 'E-Journals, E-Books' and 'Databases'. The background of the website shows a modern library interior with people sitting at tables.

Overview

Authors: [Yoshihiro Tonegawa](#)

- Is the first exposition of Brakke's mean curvature flow, a subject that interests many researchers
- Uses accessible language, not highly technical terminology, for all readers interested in geometric measure theory
- Explains recent highly acclaimed research results of the mean curvature flow

Part of the book series: [SpringerBriefs in Mathematics](#) (BRIEFSMATH)

13k Accesses 15 Citations

About this book

This book explains the notion of Brakke's mean curvature flow and its existence and regularity theories without assuming familiarity with geometric measure theory. The focus of study is a time-parameterized family of k -dimensional surfaces in the n -dimensional

The screenshot displays a library search interface. On the left, there are filters for years (2000-2009: 22, 1990-1999: 13, 1980-1989: 2, 1970-1979: 3, 1950-1959: 3), Library (Ookayama: 53, Suzukakedai: 8), Location (Ookayama Lib. B2F - Proceedings: 27, Lib. of Dept. of Mathematics: 10, Ookayama Lib. B1F - General Books: 9, Suzukakedai Lib. 2nd Floor - General Books: 6, Ookayama Lib. B1F ; Compact Shelving - International Journals: 4, More...), Author (Matas, Jiri: 4, Pajdla, Tomas: 4, Prigogine, I. (Ilya), 1917-2003: 4, Rice, Stuart Alan, 1932-: 4, More...), and Subject (Artificial Intelligence: 4, Automated Pattern Recognition: 4, Computer Graphics: 4).

The search results section shows the search term "Free word=mean curvature flow;". A "Filter" button is present. Below the search bar, there are options to "Select: Check all | Remove all" and buttons for "Bookmark", "Text", "BibTex", "Refer/BibIX", "RefWorks", "EndNote", and "Subset". The "Sort order" is set to "Relevancy" and "10 | 50 | 100 / Per Page" is displayed. The page number is "Page 1 of 8".

6. Copyright Act of Japan

6-1. About "works" in Copyright Act

- **Works**

"works" means a creatively produced expression of thoughts or sentiments that falls within the literary, academic, artistic, or musical domain;

1. novels, scenarios, articles, lectures, and other literary works;
2. musical works;
3. works of choreography and pantomime;
4. paintings, woodblock prints, sculptures, and other works of fine art;
5. works of architecture;
6. maps and other diagrams of an academic nature, such as plans, charts, and models;
7. cinematographic works;
8. photographic works;
9. works of computer programming.

Principle of automatic protection...

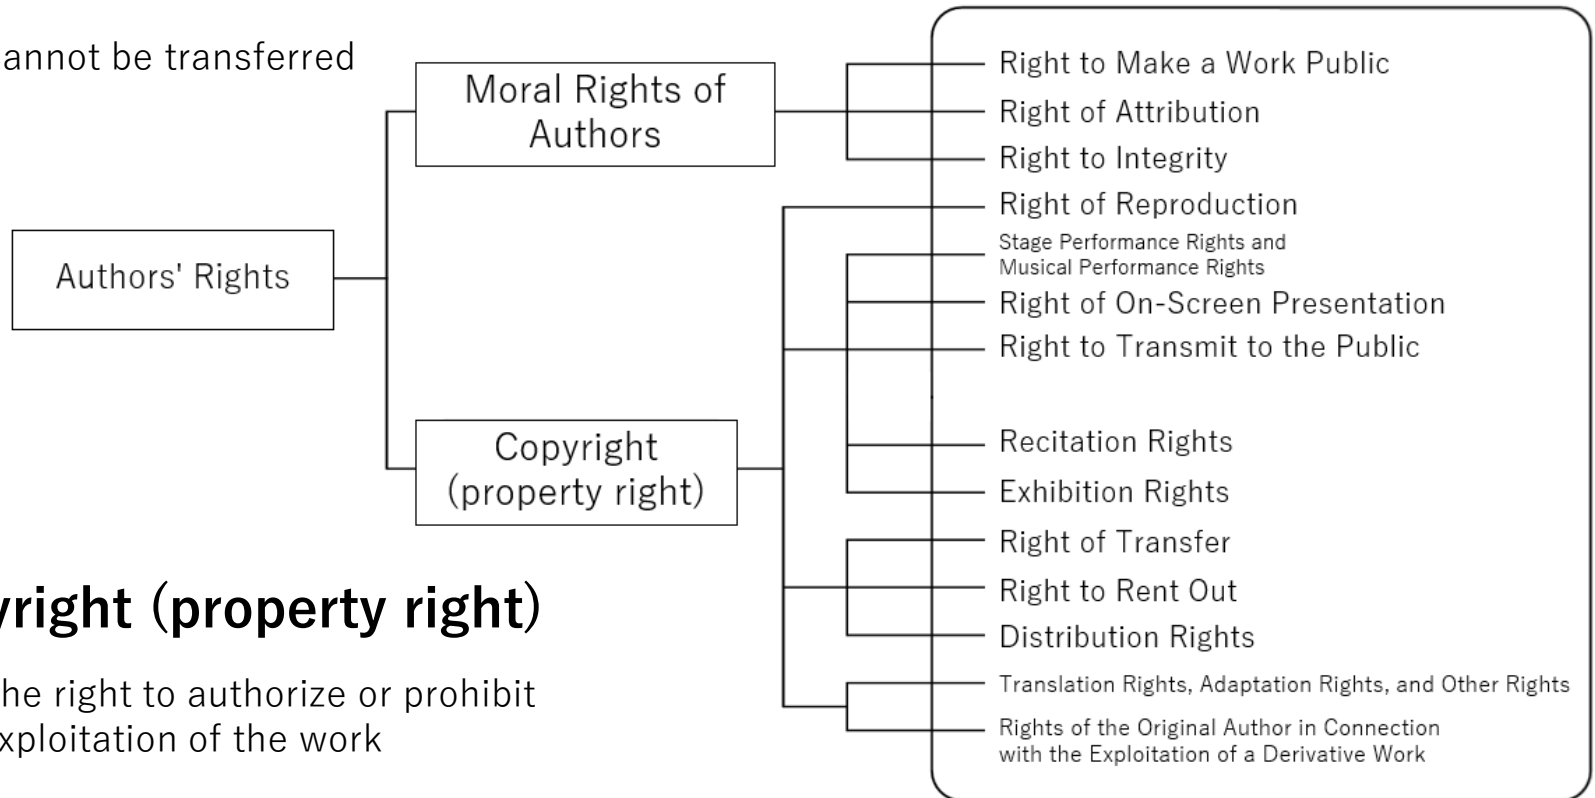

The copyright continues to subsist during the author's survival period and the end of the 70-year period following the death of the author.

6-2. About "Copyright Act"

• Moral Rights of Authors

- Rights to protect moral interests of the authors
- Cannot be transferred

• Copyright (property right)

- The right to authorize or prohibit exploitation of the work
- Can be transferred/inherited

6-3. How to use copyrighted materials

If you want to use copyrighted materials...

- ① **Use copyrighted works with clear terms of use or licensed works**
- ② **Use under certain usage methods and conditions**
- ③ **Obtain permission to use**

6-3-1. How to use copyrighted materials

① Use copyrighted works with clear terms of use or licensed works

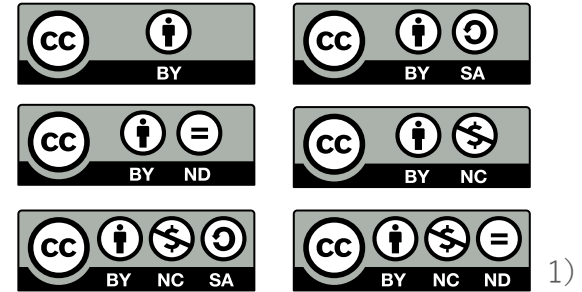

- **Creative Commons License**

Creative Commons License is tools that an international nonprofit Creative Commons provided. A copyright holder can express his or her intention regarding the use of a copyrighted work by displaying a CC license.

- **Ref. Hanmoto.Com**

A website where you can check whether or not book images and bibliography can be reused.

6-3-2. How to use copyrighted materials

② Use under certain usage methods and conditions

• **Reproduction in Libraries and Similar Facilities; Related Matters (Article 31(1))**

- Must be for non-commercial purposes
- A single copy of a part of a work that has been made public is permitted
 - * a part of a work = less than half of the total
 - **Works published in periodicals that a periodical already published for a considerable period of time may be copied in their entirety.

->Photographing materials is not allowed inside the library

• **Exploitation without the Purpose of Enjoying the Thoughts or Sentiments Expressed in a Work (Article 30-4)**

If the purpose is not to enjoy the thoughts or feelings expressed in a work for oneself or for others to enjoy it, the work may be used in any manner to the extent deemed necessary.

ex. When collecting and duplicating data as training data during the AI development/learning stage

->At present, there are many concerns and various discussions. Pay attention to the latest trends.

6-3-3. How to use copyrighted materials

③ Obtain permission to use

- **Contact the person/copyright owner directly**

- Contact the author's contact information published on researchmap or their institution's website
- Make contact through acquaintances at academic conferences or research labs

- **Consult with a copyright protection/works management organization**

There are organizations and organizations that manage copyrighted works, handle usage procedures on behalf of copyrighted works, and provide consultation services, depending on the type of copyrighted work and purpose of use.

Abstract
Anthropogenic climate change and rapid urbanization are contributing to more frequent and intense urban flooding. There is widespread agreement that traditional gray infrastructure, a single-purpose solution, fails to address the problem properly and contributes to adverse direct and indirect environmental impacts. As such, Nature-based Solutions (NbS) can provide improved outcomes to flood risk management along with co-benefits to society and the economy, as they have numerous benefits including often a smaller carbon footprint or even sometimes sequestering carbon. However, there is ambiguity and misconception about NbS and the uptake of NbS for flood management, which is still inadequate compared to traditional gray infrastructure. This research seeks to explore various nature-based infrastructures including their present status of application for flood risk management to build resilience to urban flooding through a systematic literature review. The robustness of some NbS is questionable and varies across different spatial scales from plot to watershed. NbS can work stand-alone in many cases as well as supplement traditional gray infrastructure to achieve wider benefits. The review provides a comparison of nature-based solutions with gray infrastructure, identifies flood mitigation infrastructures that include nature-based elements, and provides an overview of their effectiveness across different scales. The research findings should contribute to a better understanding of appropriate and diverse options of NbS, gray, and hybrid designs by policymakers and decision-makers to enable them in effectively designing and implementing urban flood risk mitigation measures.

コロナ禍のオンライン授業における 大学教員の授業効力感に影響する要因の検討

稲葉利江子^{*1}・高比良美詠子^{*2}・田口真奈^{*3}・辻靖彦^{*4}
津田塾大学学芸学部^{*1}・立正大学心理学部^{*2}
・京都大学高等教育研究開発推進センター^{*3}・放送大学教養学部^{*4}

2020年度新型コロナウイルス感染症拡大防止のため、大学教員は否応なくオンライン授業に取り組むことになった。オンライン授業において授業効力感を得られた場合、多くの授業が対面授業に戻った後も、部分的にオンライン授業や ICT ツールを継続的に利用していく可能性がある。そこで、本研究では、大学教員のオンライン授業における授業効力感に着目し、「ソーシャルサポート」、「学生の受講態度」、「授業内の ICT 利用量」の3要因からの効果を明らかにすることを目的とした。具体的には、2020年7月～8月に大学教員向けに実施したアンケート調査を基に、オンライン授業における授業効力感が、「指導方略」、「学生の状況把握」、「学生の活動促進」の3因子からなることを明らかにした。その上で、「ソーシャルサポート」、「学生の受講態度」、「授業内の ICT 利用量」の影響を検証するため、階層的重回帰分析を行った。その結果、講義、演習・実習、ゼミ・セミナーという授業形式に依らず、「学生の受講態度」が教員のオンライン授業における授業効力感の向上に全般的に影響を及ぼすことが明らかとなった。

キーワード：高等教育、ICT 利用、ソーシャルサポート、受講態度、階層的重回帰分析

1. はじめに

日本の高等教育において質向上を実現するための手段として、ICT を活用した教育の推進が重要とされており、平成25年6月の「教育進行基本計画」においても明記されている。しかし、大学 ICT 推進協議会 (AXIES) の2017年度調査(大学 ICT 推進協議会 2019)によると、LMS の全学的な導入率は国立大学で88.5%、私立大学で65.1%と増加し、ICT 環境が整いつつある一方、その利用率は国立大学20.5%、私立大学で26.0%と実際の利用につながっていないという状況であった。また、2006年に吉田・田口 (2008) が実施した大学教員を対象とした IT 利用実態調査では、ICT スキルへの不安や準備等の時間確保が困難などの阻害要因があったり、たとえ有益であると考えていたとしても知らないものや経験したことのないものを受け入れることに心理的な抵抗感が生じたり、現在の状況に固執してしまう現状維持バイアスが要因で、授業において ICT ツール等を活用していなかった可能性が示されている。

しかし、2020年度は、新型コロナウイルス感染症拡大防止のため、大学において遠隔授業の実施が9割以上の機関で実施されており、否応なく LMS や Web 会議サービスなどを利用したオンライン授業を実施せざるを得ない状況となった。
